If you choose to rent a car, let us know and we will provide you with directions to *Cowgirl Up Ranch* from the airport.

**Check-in:** The seminar begins at **4:00pm** Friday, so please be sure to check in prior to that time. You may arrive at the ranch any time after **3:00 pm**.

**Check-out:** You may relax and enjoy the ranch until check out time at **5:00 pm** Sunday. You are welcome to extend your stay at our regular season prices for as long as you want. The surrounding gold country here is home to many wonderful activities from antiquing to zip-lining. Please be sure to make your reservation with us in advance.

**What to bring:** The weather in the Sierras is finicky. It is advisable to check Weather.com or contact us to have an idea what to expect. Hats and suntan lotion are highly recommended. The evenings are traditionally cool, so have a jacket and toasty sleep ware. You also want to pack comfortable closed shoes such as athletic shoes. Cowboy boots are also recommended as you will be working in close quarters with the horses. Flip flops are handy for the shoeless events!

In addition, you may wish to bring snacks or beverages of your own preference. We will have coffee, tea, and water available at all times. If you have special dietary needs , (vegan/vegetarian diet) please bring any additional items needed to supplement meals.

Don't forget to pack personal items, such as bath towel and toiletries if you are lodging in the bunkhouses. (The cottage is stocked with towels, pillows and sleeping bags . You may wish to bring a camera, a notebook for journaling, and any drumming or musical instruments you may enjoy.
